# ALMA MATER

*Dreaming of Alma Mater  
Down on the Eastern Shore  
Dreaming of pals and friendships  
Memories forevermore.*

*Deep in my heart there's a longing  
Just for a sight of you;  
I know you're always waiting.  
I know you're always true.*

*Alma Mater, Alma Mater, I love you.  
Paradise forever lies 'neath skies of blue.  
In the sunshine or in shadow ever new,  
Alma Mater, Alma Mater, I love you.*

# Class History

## EIGHTH GRADE

Confused? Yes! Excited? Yes! Eager? Yes! All of these terms could be applied to the 210 new eighth graders who had arrived at the so-called "institution of higher learning". We were to be the first, yes, the very first class to be in high school for five years.

Gradually we became adjusted to the intricacies of the cafeteria, the "up and down" steps, the many, many rooms, along with the seemingly endless list of "dos and don'ts." The eighth grade party, sponsored by the Student Council, was a smashing success (and I do mean smashing).

Active competition developed in intramural hockey, basketball, and softball. Many of our more talented number took part in "The Footlight Revue" and we were ably represented in the May Court by Sally Wulf, Joan Atkinson, and Mary Louise McGrath.

## NINTH GRADE

Still "freshies", but a whole year older and wiser, 188 of our original number returned, with an unquenchable thirst for knowledge burning within them. Eager to become a definite part of the school and its activities, we began to buckle down. In every important field, athletics, journalism, music, and dramatics, we left our mark.

Another rousing party, sponsored by the Student Council, left no doubt that the fiery spirit of youth was still burning brightly.

Our three attractive representatives in the May Court were Barbara Hardesty, Betty Flannery, and Harriett Smith.

## TENTH GRADE

Returning as Sophomores, our number had shrunk to 165. Naturally we assumed active parts in every major school activity and really felt as if at last we were a part of the school.

The highlight of the year was perhaps the Sophomore Sweater Hop, originated and inaugurated by our class. Bob Elzey and Betty Flannery were elected to reign over the dance as King and Queen.

Sylvia Mace and Charlotte Malone served as Sophomore ladies-in-waiting to the Queen of the May.

Elected to III and II vice-president of the Student Council were Howard Gordy and Nevins Todd respectively with Betty Flannery as secretary.

## ELEVENTH GRADE

Upperclassmen at last, 155 of us began what was to be one of the busiest years of our lives.

To represent the class, the following officers were chosen: Howard Gordy, president; Nevins Todd, vice-president; Betty Flannery, secretary; Retta Hastings, treasurer; and John Culver, historian.

The Junior Class Play, "Best Foot Forward", directed by Miss Audrey Stewart, was viewed by a capacity crowd, who received the play with thunderous applause.

The Junior-Senior Banquet, May Day, and the Prom were enjoyed by all who attended. Student Council elections were hotly contested, but emerging victors were Howard Gordy, president; and Paul Sarbanes, first vice-president.

## TWELTH GRADE

The culmination of all our hopes, our desires, the coveted honor of being seniors was at last ours. Class officers were elected and the following were the results: Nevins Todd, president; Bill Morris, vice-president; Betty Flannery, secretary; Retta Hastings, treasurer; and John Culver historian.

The thrill of running the city for a day fell upon the Senior Class with Harrison Langeler as mayor. Both basketball teams, beating Cambridge on their court and the boys advancing to the state playoffs, were probably the highlights of the athletic season.

Although, the Prom, the Senior Class play, "Our Hearts Were Young and Gay", the Junior-Senior Banquet, and Graduation are yet to come, the year is coming to a close all too rapidly. Not until we are older and more mature will we realize the mark that our teachers, fellow students, and the school as a whole has made upon us.

# Football

The attitude of the athletes of Wicomico High School for the year of 1949 and 1950 was that they were going to establish the best athletic record Wicomico High has ever had. Not just the athletes felt this way, but the entire student body, faculty, and town rooters. As the season progressed, the loyal followers truly lived up to their standings.

When the football season officially opened, the Indians knew that they were out to beat a tough schedule. It was proven early in the season by narrowly squeezing by the Seaford Blue Jays with a 6-0 victory. Then a week later the Laurel Bulldogs convincingly defeated Wi-Hi 26 - 0 in a hard-fought game. After realizing they had better buckle down and "really" play football a hard tough week of practice followed, and from that time on the Indians went undefeated. The Laurel game was a black spot on the record of seven wins and one loss, but it has been said that that game was the turning point of the season.

Coach Charles R. Berry, deserved much credit in making the club known as a powerful, harworking, winning team.

# Baseball

Under the able leadership of Mr. Mills, the Wicomico High Indians were out to win the County Championship again. The team was composed of a large group of veterans who were responsible for the success in previous years. Knowing this year's schedule was going to be tough, the squad got down to serious practice aiming for a perfect season.

# Soccer

Under their new coach, Mr. Mills, the Wicomico High booters had a successful year. Even though the record doesn't show an excellent year as far as games won and lost goes, it was a good year because of all of the experience the younger boys acquired. Coach Mills realized that the team was not "too battle wise" but he began to look to the future with much brighter hopes of perfect seasons.

# Track and Field

This year was the first that track and field was played interscholastically as a varsity sport. With some excellent material, Coach Charles Berry was sure of a very successful season. The team has scheduled 8 meets. The boys were very excited about the new team and they have trained very hard for the first meet. A victory was certain.

# Basketball

With an array of seasoned veterans and lettermen this year, Mr. Seidel, coach of the team, and his cagers, went successfully through a rugged 17 game schedule with a final record of 15 wins and 2 losses. After the third game of the season, which they lost to Southern High of Baltimore, the Indians went on to a 13-game winning streak until the last game which was won by Rehoboth High. Included in the fine record were the two victories over Cambridge, closest rival of the Indians. One of these victories was the first time any Wi-Hi team had beaten Cambridge on their home court.

The Indians had in mind the high goal of winning the State Class A Tournament. They

started off with a bang by again walloping Cambridge 63 to 31. After preceding to the semi-finals, Wi-Hi, by playing a spectacular game in the closing moments, won 41 to 31. After a hard week of practice, the Indians, with a large group of rooters from Salisbury, went to College Park to play Allegany High of Cumberland for the Championship. This game proved to be the most exciting of the season. After trailing most of the game because of a slow start in the first quarter, Wi-Hi came back with a spectacular splurge of playing but the rally failed and Wicomico lost by the close score of 53 to 52.

Mr. Seidel and his boys deserve a lot of credit and praise in the way they have made themselves one of the leading teams in the state and the best on the Eastern Shore.

## Girls Sports

The school term 1949-50 marked a year of outstanding achievement in Girls' Varsity Sports under the successful guidance of Coach Mary Morling Troy.

Intramural sports, consisting of hockey and basketball, were enjoyed by a large number of participants because the program was so arranged that all girls could take an active part. From the large number taking part in these sports, material for future varsity squads is promising.
